Insights Lunch 'N' Learn:

Outcome Rubric Customization

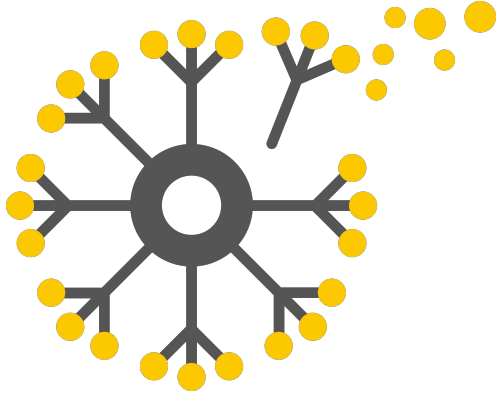

December 18, 2024

Agenda

- New Features to Highlight
 - CSLO Rating Scales
 - PSLO/ISLO/Standards Rating Scales
- Demo of Functionality in App.
- Ticketing Reminders
- How to Contact Erin

New Features to Highlight

**“We need our
outcome
rating
scales/rubrics
to be
customizable!”**

Custom Outcome Rubrics:

What is it?

Coordinators can associate new/updated rating scales to outcomes at the CSLO, PSLO, and ISLO level, as well as for Standards.

CSLO Rating Scale Selection:

 ACCT101: Accounting 101

▼

ACCT101 SLO1: Develop basic understanding of cost objects and analysis 

Demonstrates skill achievement at taxonomy level: None 

> Rating Scale Details

> Variations

> Version History

▼

ACCT101 SLO1: Develop basic understanding of cost objects and analysis 

Demonstrates skill achievement at taxonomy level: None 

▼ Rating Scale Details

Current Rating Scale: Canvas Default Rating Scale - 0, 1, Mastery at 1

Mastery	Not Mastered
1	0
The student met expectations.	The student did not meet expectations.

DEMO!**

Ticketing through HubSpot

HubSpot ticketing can be found on the same page as our Knowledge Base - it is the preferred method of keeping track of requests, issues, and lapses in functionality so we can swiftly aid in its resolution and follow up as needed.
